**To Whom It May Concern:**

This letter is my personal recommendation for Jan Stansel. I have known Jan as my trusted dog walker and pet sitter for the past 4 years. I found her to be a great asset in making sure that my two Yorkies are tended to with the utmost care. She is always dependable, and has been flexible with last moment changes. Jan has always been professional, courteous and dedicated. I consider Jan someone who makes my life easier knowing that whatever is in the best interest of my pets, she will do.

Jan has also kept my dogs while I was away from home. My dogs return from her home with none of the stresses they have displayed after staying in kennels. They are well cared for and obviously enjoy special treatment while there.

I have personally recommended Jan's services to friends and neighbors who have dogs. Jan always treats my home with great respect, and is a conscientious guest. There has never been any issues with her having complete access. On the contrary, it has been a comfort knowing that she can get to my pets without a moment's hesitation. As I write this letter to promote her services, I know that this will be a huge loss in my life. However, I believe that she will enrich other's lives as she moves on.

It is for these reasons that I offer high recommendations for Jan without reservation. Her outgoing personality and love for animals will truly be an asset to anyone utilizing her services. If you have any questions regarding this recommendation, please do not hesitate to contact me.

Sincerely,
